

Kindergarten Learning Activities

May 25-29

****Read with your child every day****

wellness	play	literacy	numeracy
<p>Listen to Monique Gray Smith read her book "You Hold Me Up". How many hearts can you find in the book?</p>	<p>Make a bug using a toilet roll. Click here to see a picture.</p>	<p>Listen to the story Backyard Bugs. How many of these bugs have you seen in your yard?</p>	<p>Learn how to play this fun game with someone in your family. Who was able to fill their cup first?</p>
<p>Use this dice to move like certain insects.</p>	<p>Build a bug hotel. Here are some ideas of some materials you can use.</p>	<p>In your journal this week draw a picture of your favourite bug. Tell about it and why you like it.</p>	<p>Find 9 of one object and put them into 2 groups. Example: 5 in one group and 4 in the other. Say a math sentence "5 and 4 make 9".</p>
<p><u>Lazy 8 Breathing</u> Watch this video on how to do this! Here is a printable version of the 8.</p>	<p>Be a scientist! Try making rice dance! Click here to find the instructions. What do you predict will happen? Try and observe!</p>	<p>How many words can you think of that rhyme with "bug"? Write them down. What do you notice is the same with all the words?</p>	<p>Listen to the story Tally O' Malley. Find a collection of one item. Make a tally chart to count and show how many.</p>
<p>Do the Body Boogie! Click here for the video. What other ways can you move your body to the music?</p>	<p>Make a puppet from materials you have at home. Use the puppet to tell a story</p>	<p>Make something out of playdough. Then write or draw a story about it.</p>	<p>Jack put 5 insects in his bug jar. Jack's sister put in 3 more. How many insects does Jack have in all? <u>Bonus question:</u> How many legs in all? (Insects have 6 each) Draw a picture to help you.</p>
